CHAMPIONS, 8; Brewers, 6.

Long Will It Last? troit was engaged in the good work of lowering St. Paul's percentage. For the short and played pretty bad ball, his two errors costing three runs. He got a hit that helped along the first Indianapolis run. Hogriever had a great running catch in the fifth that cut more of a figure in the result than was apparent at the time. There was one out when Hartman hit a short fly ell followed with a three-bagger the catch Damon got off rather easily for the slow ball he used and kept the hits well scattered. He lacked speed and in the seventh the Brewers found him for three hits, but they stopped there and were beaten out easily enough.

Indianapolis started off in vigorous fashion. Hogriever waited for a base on balls and got it. Roat advanced him to third Singles by Motz and Stewart and Taylor's miss of Buckley's grounder gave Indianapolis another run, after which Shiebeck hit to pitcher and went out at first. Nicol was given a base on balls in the last half and moved Hartman to third, he having reached second on the throw to the plate on Nicol. but was caught while trying to score on Stafford's steal of second. Buckley and Stewart made a pretty play of it. Hogan's base on bails, Damon's sacrifice, Glenalvin's muff of Rettger's throw and Hogriever's fly to left gave the chamfrom short to first. With one out in the third Motz's grounder, got by Glenalvin. Stewart flew to Weaver, but Buckley hit to left center for two bases, scoring Motz. Shiebeck reached first on balls and Hogan sent Buckley in with a hit to left. Damon failure to stop Hartman's grounder and Stafford's single gave the Brewers two runs. Rettger had gone out before this damage, Twitchell struck out and Stafford was caught stealing second.

Hogriever walked again in the fourth and Roat struck out. Wood hit for two bases. scoring the sixth Indianapolis run. The next two men were easy. In the seventh after Buckley had gone out on a fly to short, Shiebeck got a two-bagger to right center. Hits by Hogan, Damon and Hogriever earned two runs. Roat and Wood flew to right and center. The Brewers came very close to a run in the fifth, when, after Hogriever's fine catch of Hartman's fly, Twitchell hit to right center for three bases and was caught at the plate, trying to make the circuit on it. The ball was fielded rather slowly and Twitchell thought he could get in, but he failed. With one out in the seventh, singles by Rettger, Nic-ol and Weaver, with Hartman's long fly earned a couple for Milwaukee. Twitchell hit to short and forced Weaver at second. Indianapolls had the bases filled in the non did the same for Glenalvin. While at bat in this inning Hogan was hit on the forearm by a pitched ball and so bady hurt that after he had gone to the field in the last half he was taken sick and had to be helped to the clubhouse. Davis took his Milwaukee had a couple of men on base in the eighth, but could not score. In the ninth, with two out, Hartman hit to Roat, who fumbled the ball and then threw it into the bleachers, the runner making the

Two Games with Milwaukee To-Day. There will be a double-header at the ball grounds to-day, when Indianapolis and Milwaukee will play two games, beginning at 2 o'clock. This extra inducement will nelly, 33; Robinson, 32. Boston-Ganzel, increase the attendance and, as it is ladies' day, the Milwaukee series is likely to close to an attractive crowd. Davis will pitch the first game and Monroe the second, if he is in condition. Jones, the Colorado wonder, will make his first appearance here. Milwaukee picked him up in the far West and he is said to have the making of a great pitcher. Baker will likely be in the box one of the games.

The Hogan-Lambkin footrace has been postponed until to-morrow because of the double-header. Shannon's absence from the beuch yesterday is occasioning the "fans" some uneasiness. They wan't to see him back in the games to-day. Shannon is not much of a "sticker," but he can field with the best of them and was missed yesterday at two or three stages.

SECOND DAY'S SHOOTING

INTERESTING RACE BETWEEN CAPT BOGARDUS AND KLEINMAN.

The Team Shoot Takes Place To-Day and Thirty-Five Teams Will Probably Contest.

CHICAGO, Aug. 4.-Only one race was smooth for the Colts, but the tide turned finished in the Dupont world's championside. That was the ten-bird event. This close with 178 entries, and three of the shooters could not face the traps on account of darkness. Had three sets of traps been used the event would have had 225 entries. Over 500 shooters were in attendance, and 2,000 spectators passed through the gates. The heat was tempered by a southwest wind that made the birds at times exceedingly difficult. The majority of the feathered targets were good, strong

The fifteen-bird event will be shot Thursday, which, in addition to the world's championship event, will furnish plenty of sport for the shooters. There were many exciting incidents during the day, the most important being the race between John Kleinman and Capt. A. H. Bogardus, who held the championship for so many years. Both men are over sixty years of age, and old-time competitors. They shot in the same squad at the B set of traps. The contest between them was watched by a thousand people. Both killed straight, the veteran Bogardus killing his last nine birds with his first barrel. The cheer that followed could be heard at Pullman, Bogardus will shoot on the sportsmen's review team

Entries for the team race will not close begin at 9 o'clock, and be continued on both sets of traps until finished. Louisteams this evening. There will be about thirty-five teams compete. Thinks Matthews Will Submit.

Washington Post. In spite of recent startling intelligence from indiana the Post feels warranted in the conclusion that Governor Matthews has no intention of waging either offensive or defensive war against the United States. His State was second to no other in sacrificing life and material resources for the preservation of the Republic, and it is not the least bit likely to design or desire a disruption of the bond that now binds forty-five commonwealths in one indisse The Governor will, we feel very confident, decide to submit to the decisions of the federal courts, even when they reverse decisions of Indiana courts. HOT WEATHER.

An Easy Way to Keep Comfortable, It is only through food that the human hody is sustained. Food makes good blood if it is properly digested. The proper operation of the organs of the body will be carried on perfectly, as a rule, if one will abandon the habits of topacco, whisky, coffee, etc. Stomach quickly recovers itself and does its work correctly.

Those who find it hard to give up coffee can do so easily if they will use Postum Cereal in its place. This is made of pure grains, but looks and smells like fine coffee, while it has only the elements of wheat, etc., which are nourishing and fat-Postum Cereal is eminently the drink for

hot weather, as it contains all the elec of food necessary for the body and below one stand the nervous strain on the system during the heated term.
